**RESPONSE TO NOTICE OF NON-COMPLIANT
AMENDMENT DATED 06/12/2007**

Dear Sir:

In response to the Notice of Non-Compliant Amendment of June 12, 2007, an unnumbered paper, please find enclosed the corrected section of the non-compliant amendment in compliance with 37 C.F.R. § 1.121.

In the corrected section, the amendment made to claim 60 is shown as making the claim depend on claim 45 and not claim 38.

If additional discrepancies are found, Applicants respectfully request that the Examiner call Applicants' Attorneys to arrange for an Examiner's Amendment.

The application is believed to be in condition for allowance. If the Examiner believes that a telephone or other conference would be of value in expediting the prosecution of the

present application, enabling an Examiner's amendment or other meaningful discussion of the case, Applicants invite the Examiner to contact Applicants' representative at the number listed below.

With the above-referenced changes, it is believed that the application is in a condition for allowance; and Applicants respectfully request the Examiner to pass the application on to allowance. It is not believed that any additional fees are due; however, in the event any additional fees are due, the Examiner is authorized to charge Applicants' Attorney's Deposit Account No. 03-2030.

Respectfully submitted,
